

Dorm Ministry Video

God has moved mightily in the last two years bringing what was an idea into reality. He brought us amazing students that are seeking after Him, growing in love and knowledge of Christ, and impacting the communities around them. We are excited to share a video that highlights the dorm and gives you a glimpse into the awesome work that you all have been a part of creating.

To continue impacting the lives of these students and many more, we need your partnership both in prayer and financial support.

- Prayer is critical to sustaining the ministry and our family. Pray for the students, leaders, and ministry that honors the Lord each day.
- Financial Support enables us to minister to the students and fulfill a need here in Phnom Penh. Pray for the needed financial support to close the current gap of **\$1,500 / month**. Pray and consider how you can be a part of this ministry by giving personally, sharing with your church, or others you know with a mission's heart.
