

Growing & Changes

New Doors and Exciting Opportunities

“Pray that the Lord your God will tell us where we should go and what we should do.”
~Jeremiah 42:3~

”If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you. But when you ask, you must believe and not doubt, because the one who doubts is like a wave of the sea, blown and tossed by the wind.
~James 1:5-6~

God has opened new doors for growth and change. Read below to hear more about:

- Recruiting new dorm students for next years freshman class

Role Change

We are happy to share that Tom will soon assume the role of World Team Cambodia Field Director. In this role, Tom will be responsible for the care, oversight, and direction of the World Team Cambodia missionaries and the development of the WTC ministries. Tom is excited for the opportunity to lead the WTC field in this way. The dorm ministry remains a central focus for World Team Cambodia and our family. Alicia has assumed the role of Dorm Project Lead and she is supported by Beth McCloskey (WT missionary) and our Cambodian staff. Moving forward, Tom will have more of a limited role in the dorm ministry. Please pray for the transition over the next few months.

World Team Cambodia FNGO was approved!

After 5 years of planning with several starts and stops, lots of paperwork, meetings with lawyers, conversations with government officials, the World Team Cambodia FNGO was signed and approved. We personally have been involved in the process for the last 2 years and we are thrilled to have this new registration that opens up more opportunities for our teams to serve. Rejoice with us in this huge milestone.

Recruiting New Students

We are actively recruiting for additional students for the next school year. We are hoping to add 5 new students to the dorm. Interviews are planned for October with new students arriving in early January. Pray that God would provide the right students that have a passion to grow, develop and lead in Cambodia in a Christ centered way.

Pray also that God would provide for a dorm director to support the growing ministry and the financial support needed for this new group of students (\$7,500 for one year).

Our GOAL is to **raise \$17,500**
for the Dorm Ministry to continue meeting student needs and for us
to bring on 5 additional students by **December 2024**.

We hosted the Davisville short-term team for an evening at the dorm. It was so special to have them meet the students and hear testimonies of what God is doing through the students.

We had a fabulous time at World Team 3C Conference in July where all of World Team gathered to celebrate, collaborate and be in community with each other.

Praise:

- Successful start to the school year for our boys
- Spiritual Growth of the dorm students as we walk through the Old Testament together
- Signing of the FNGO for World Team Cambodia

Prayer:

- *Tom's* transition into the Field Director role and *God's* provision for a Cambodian partner to serve as Dorm Director to support the University Dorm ministry team.
- Recruiting for new students that their hearts would be prepared and we would have discernment in the selection process.
