## Schoenheits' Monthly Mentions - Feb

---

From Doug Schoenheit <dougs@awana.org>

Date Wed 2/5/2025 2:46 PM

### Praises

- Throughout January, I was able to work through some needs with each of my new team members. They were gracious with me as they got used to my style as their new manager. The team is now in a good place, moving forward in their areas of ministry.
- Boston has been designated as the location for a May 2025 child discipleship event! We're excited to be able to host this as we reach out to churches that do not have Awana, inviting them for a day of training on what resilient child discipleship looks like.
- Everyone has remained healthy despite the spreading illnesses we hear about from across the areas we serve.

### Prayers

- That church leaders would sign up to attend the May 3rd event. Cindy, my wife, will be able to complete the online research where we look to get a list of churches and their addresses so we can mail and email invites.
- We are all headed to the New England region from 02/15 through 02/22. I have multiple scheduled visits with churches, pastors, and one club/ I'll also be filling in the in-between times by stopping at churches that do not have Awana to have discussions about child discipleship in their churches.
- Scheduling of dates and locations for the Fall equipping events in the 5 states we serve.
